

Appl. No. 10/709,918
Response dated 1/7/2006
Reply to Office Action of 12/9/2005

AMENDMENTS TO SPECIFICATION

Please add the following two paragraphs following the description of Figure 9 on the top of page 9 in the Brief Description of the Drawings section of the application:

Figure 10 is an alternate reeving of Figure 10 with redirection sheaves redirecting line over the area below.

Figure 11 shows an embodiment having a visual display element and/or beam replacing the connective element between the sheaves of Figure 10.
